

Popular morality accepts
new threats that it is directed
to be.

1) Bluffs (as in the 1st)

But: Howell?

(intent?)

or 2) Remington (as in the 2nd - Remington)

and (less assuredly)

3) ²⁾intimidation ¹⁾with some reason
to hope, to be very limited. (as
in the 1st)

Catch perhaps understood this,
for stated, in his analysis of the analysis
(b) was unrealistic. He also rejected
(1) (2). That leaves (1) -

only analysis of its risks & bad
effects. ("If credible for ritual then
to date no. have attack - only not complete
to date major (though never) in 1914
WWII - Europe." Oak leaves)
